BRAIN TONE ART

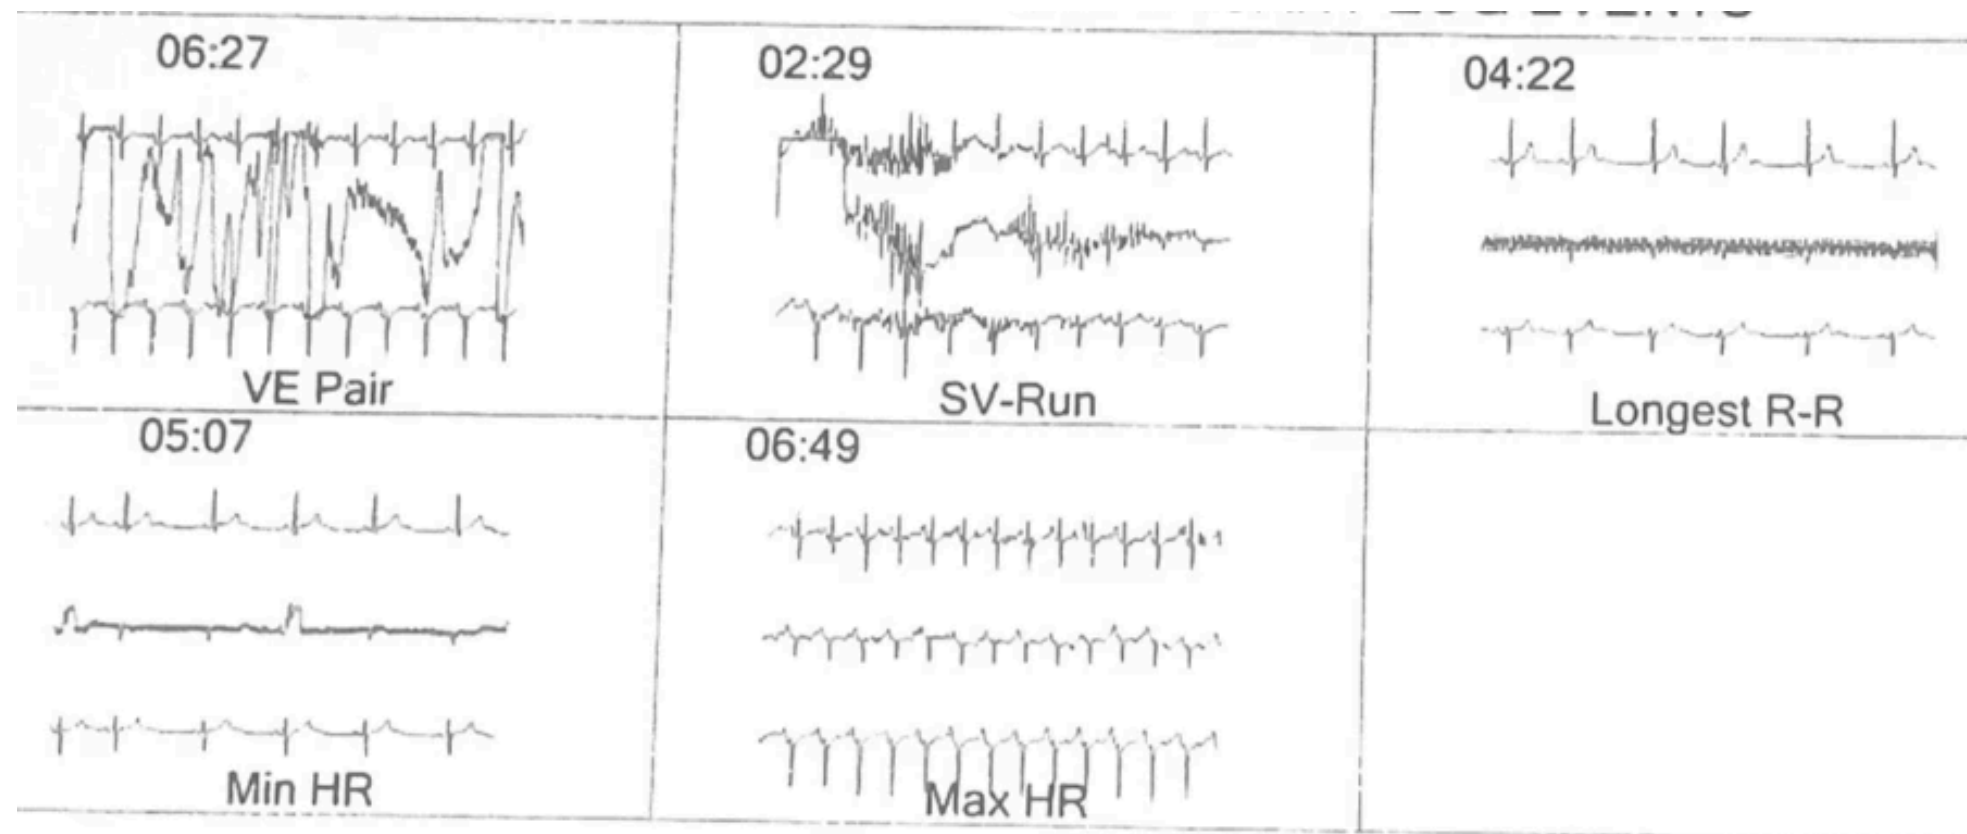

Software schopný premeniť mozgové frekvencie na umenie počas počúvania hudby

Počas počúvania hudby je fantazírovanie najintenzívnejšie

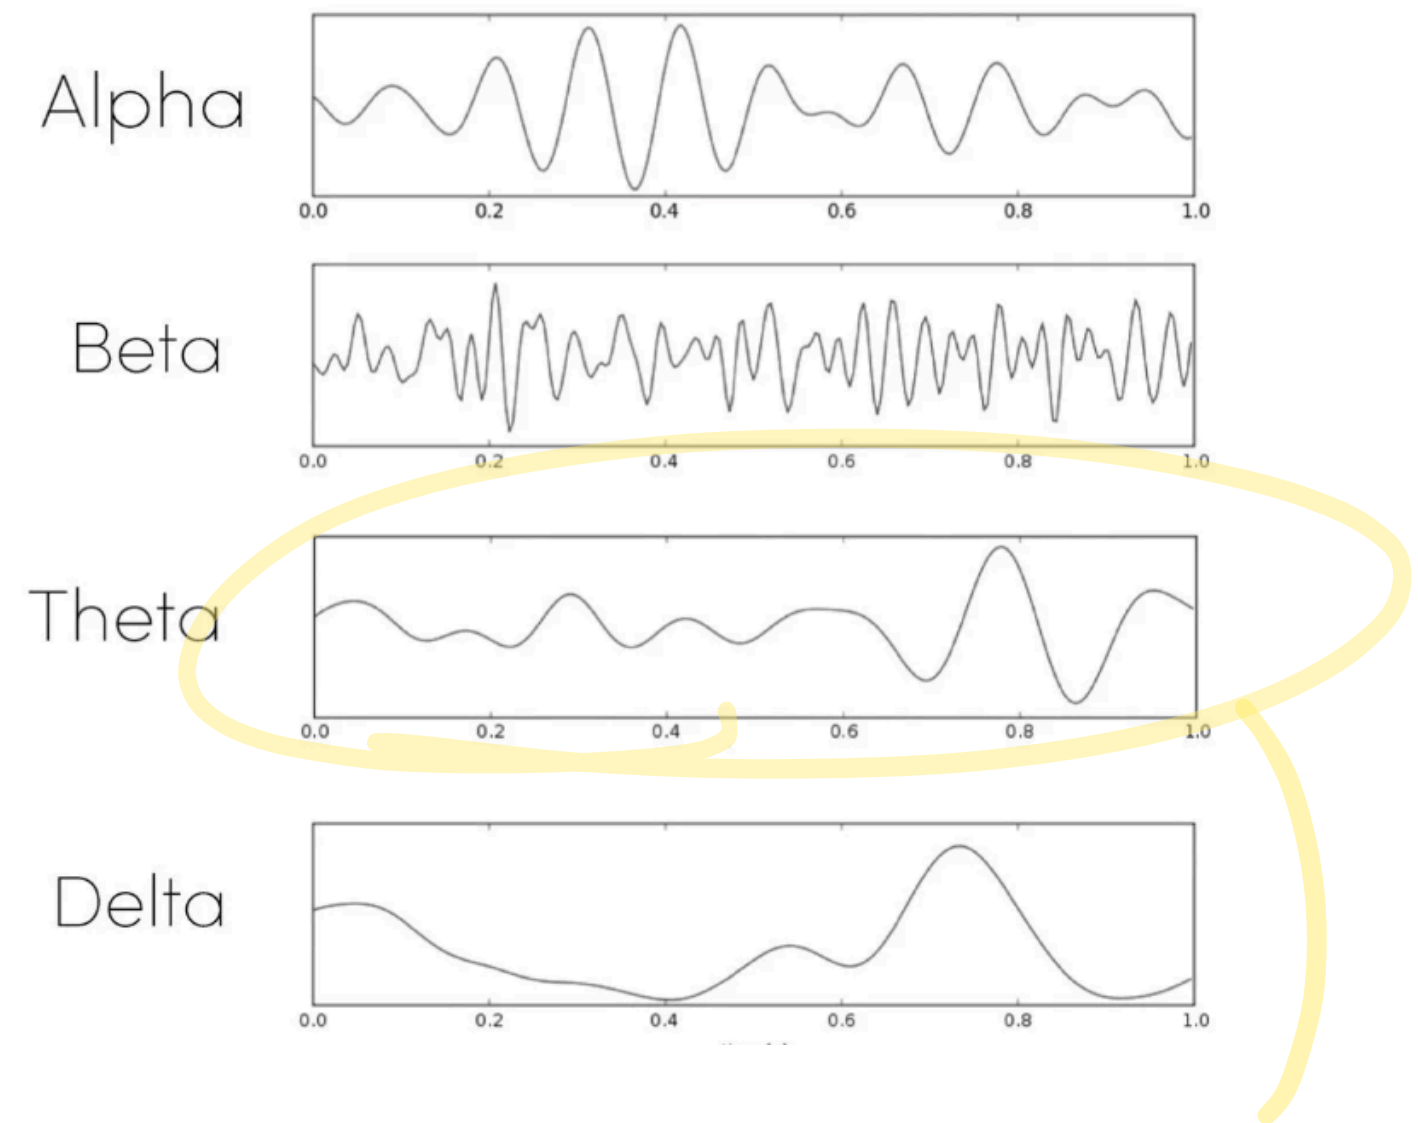

Vzhľadom na obmedzenie tejto technológie som nahradila mozgovú frekvenciu - srdcovou

Srdcovové ECG počas noci

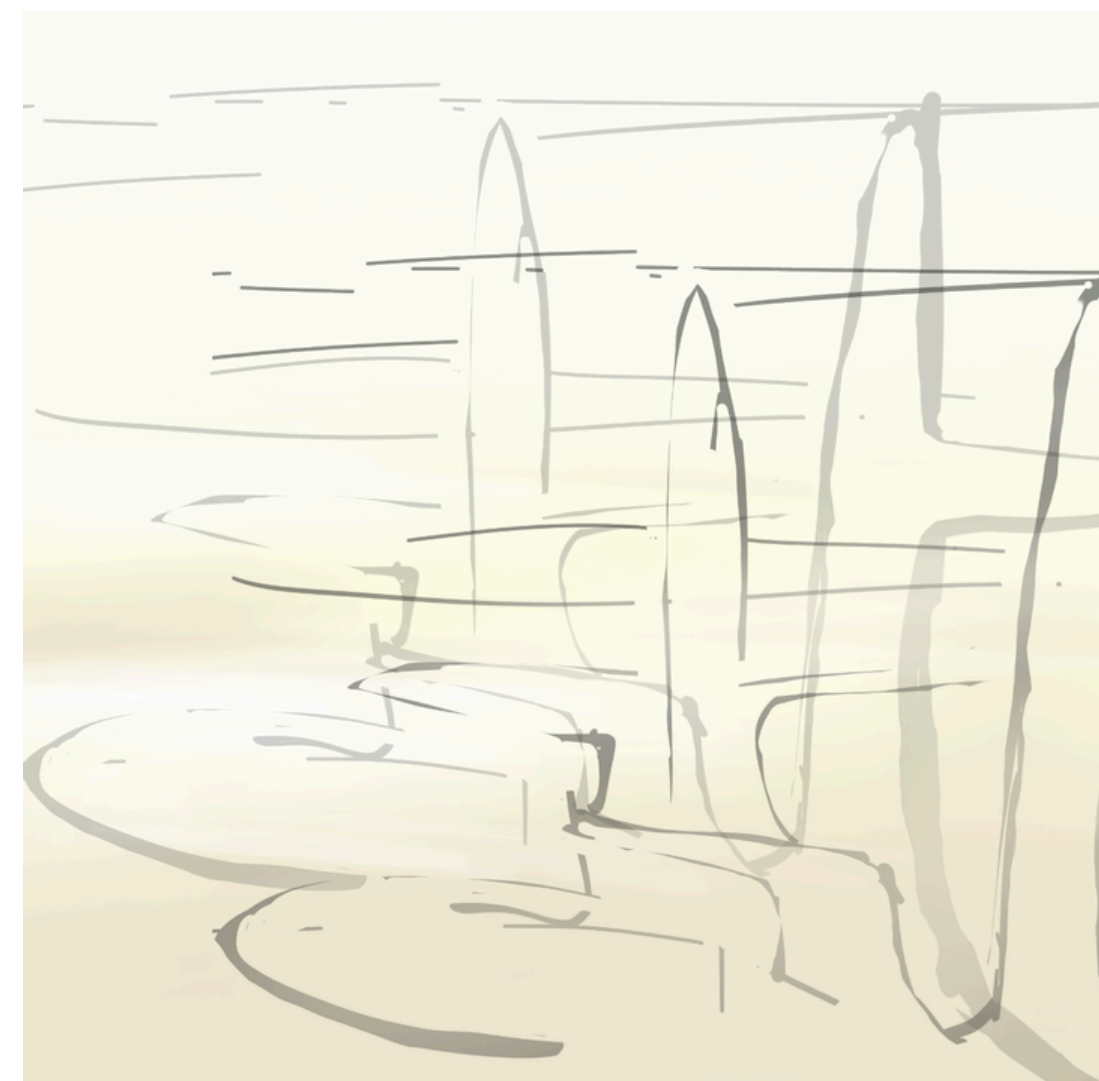

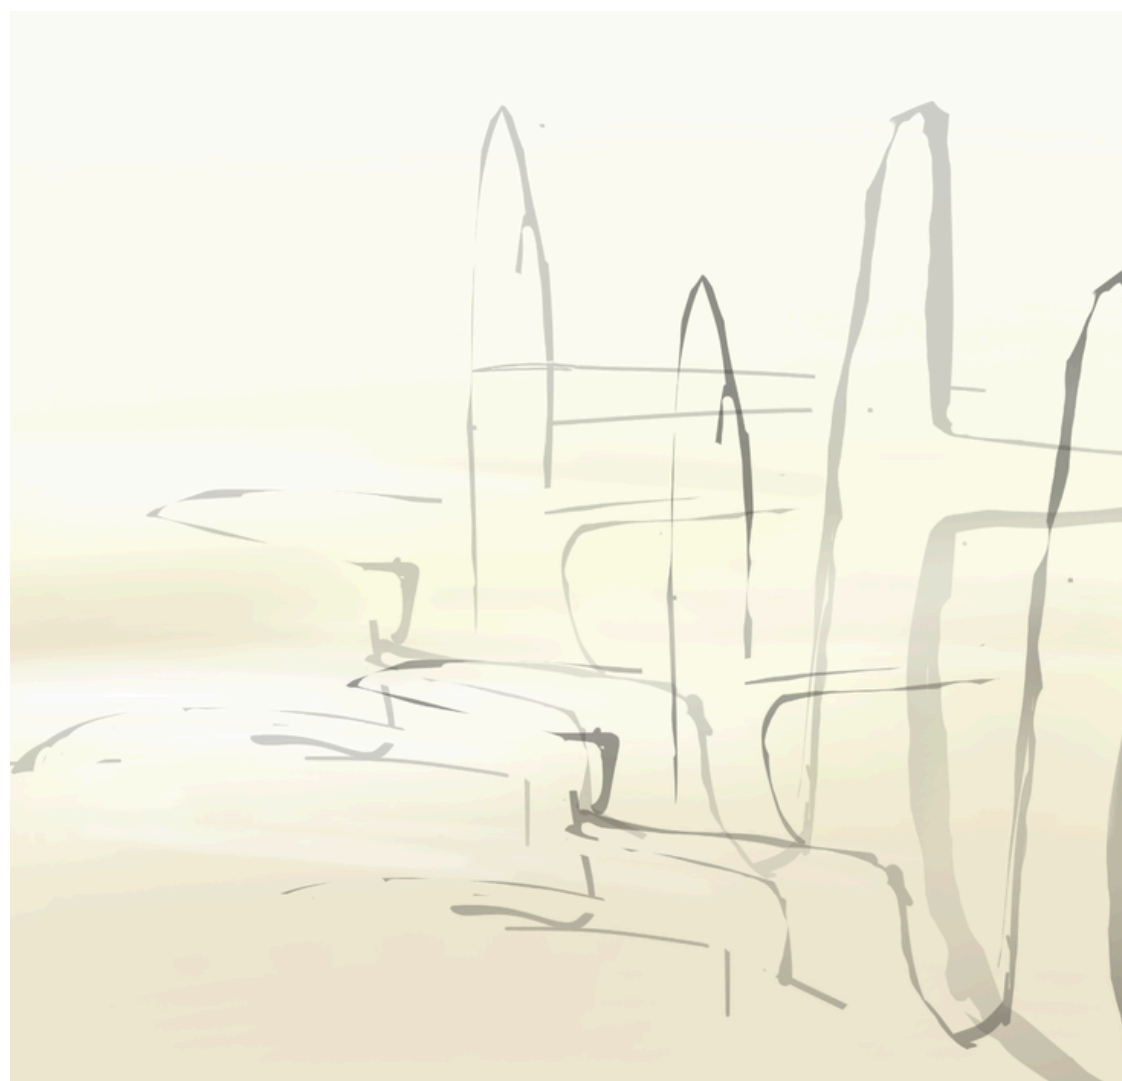

Typy mozgových vln

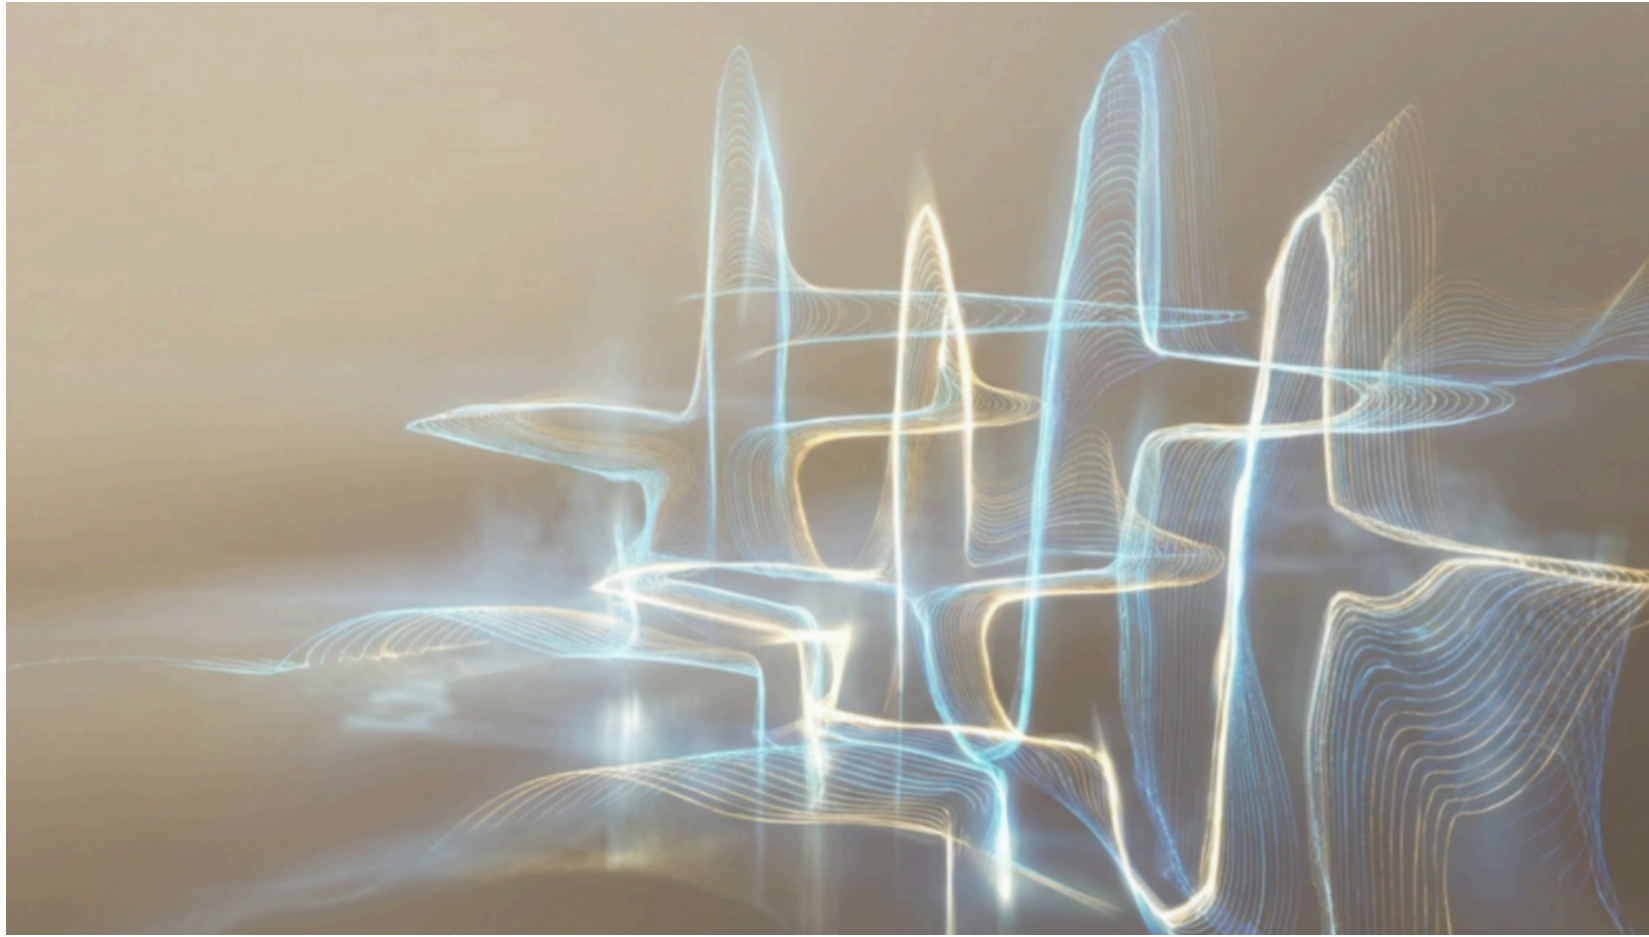

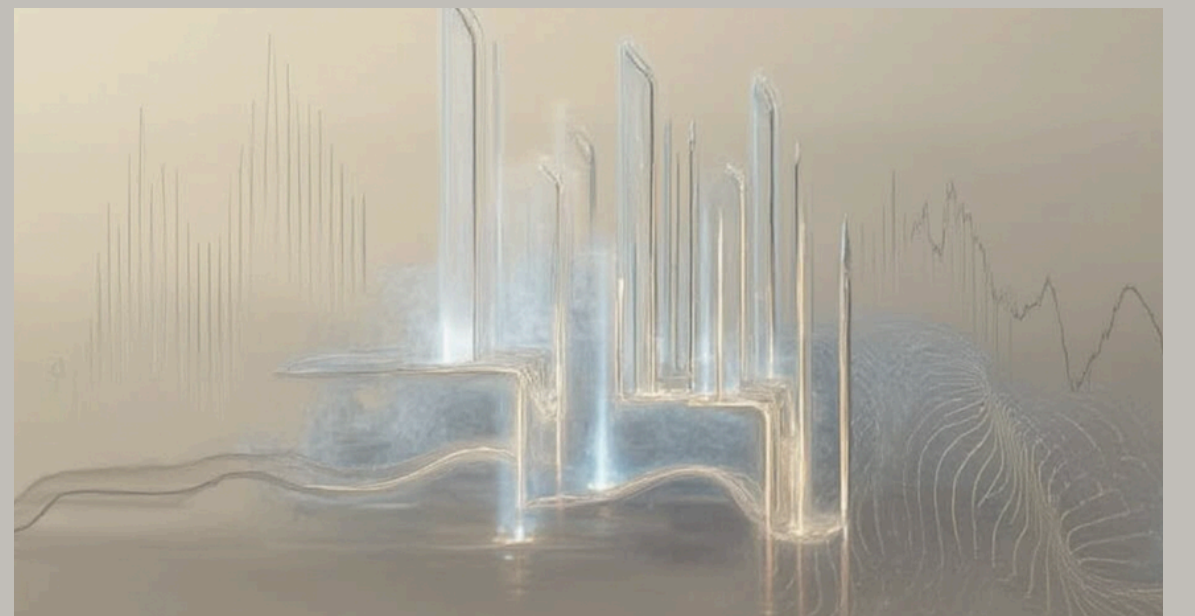

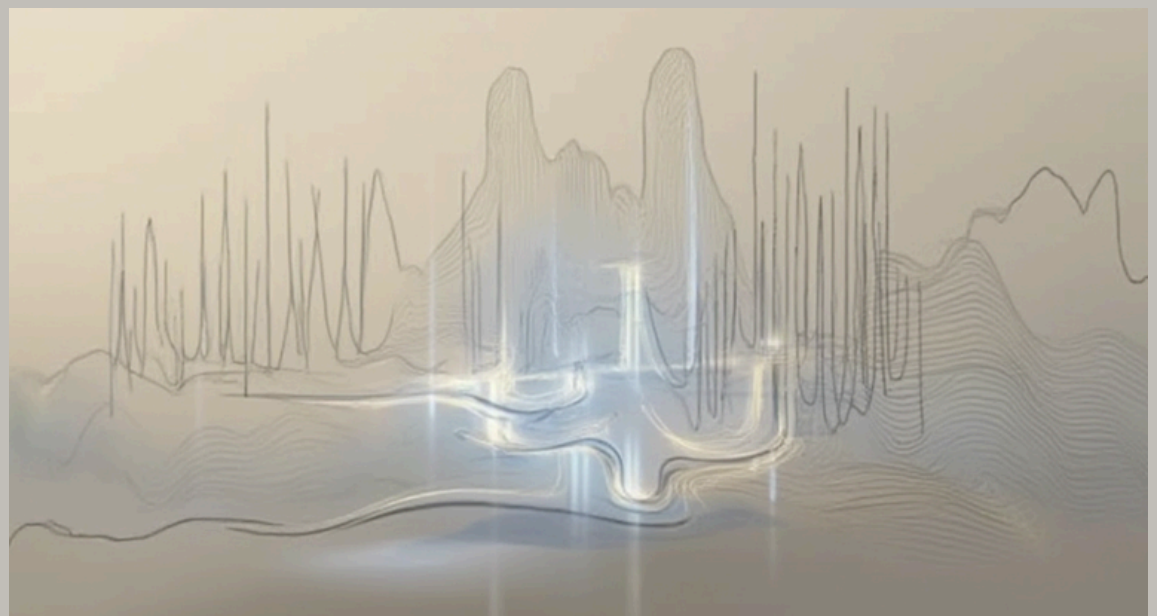

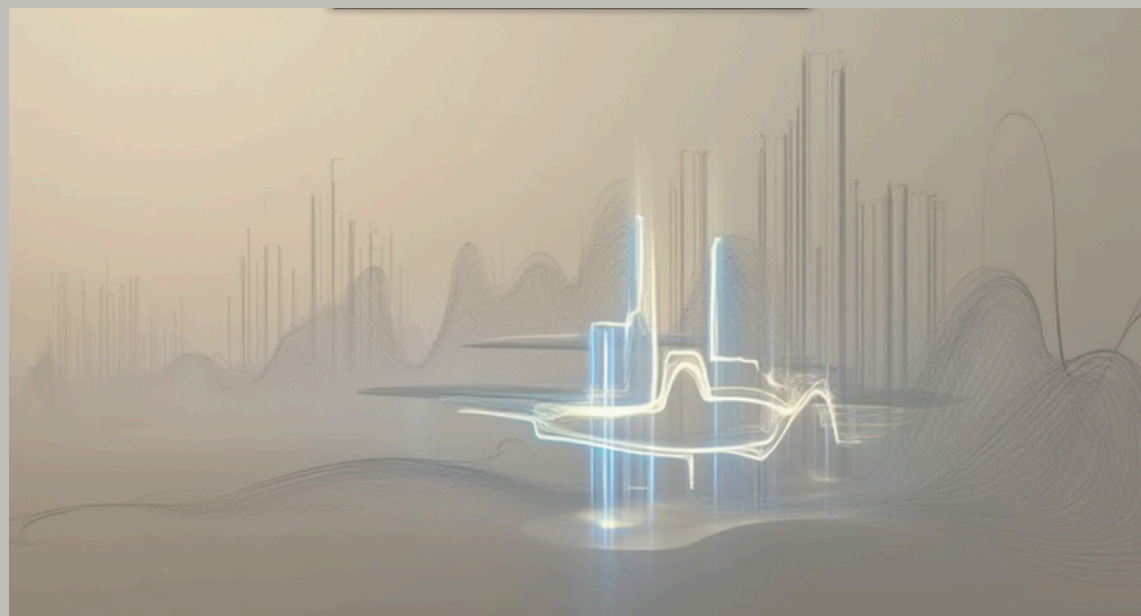

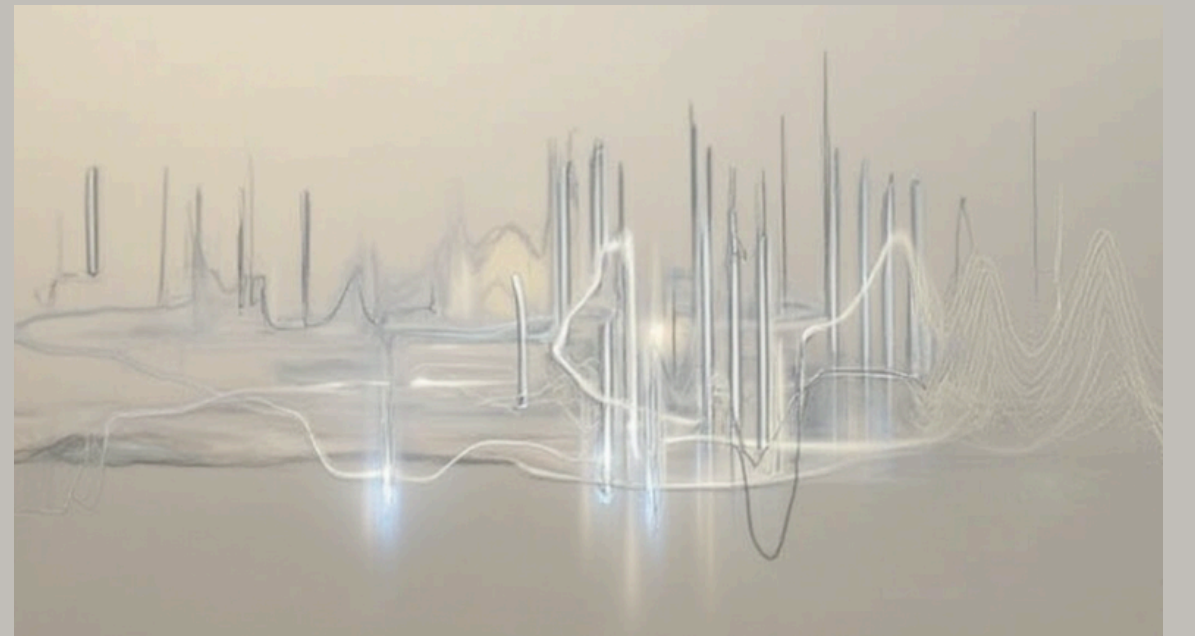

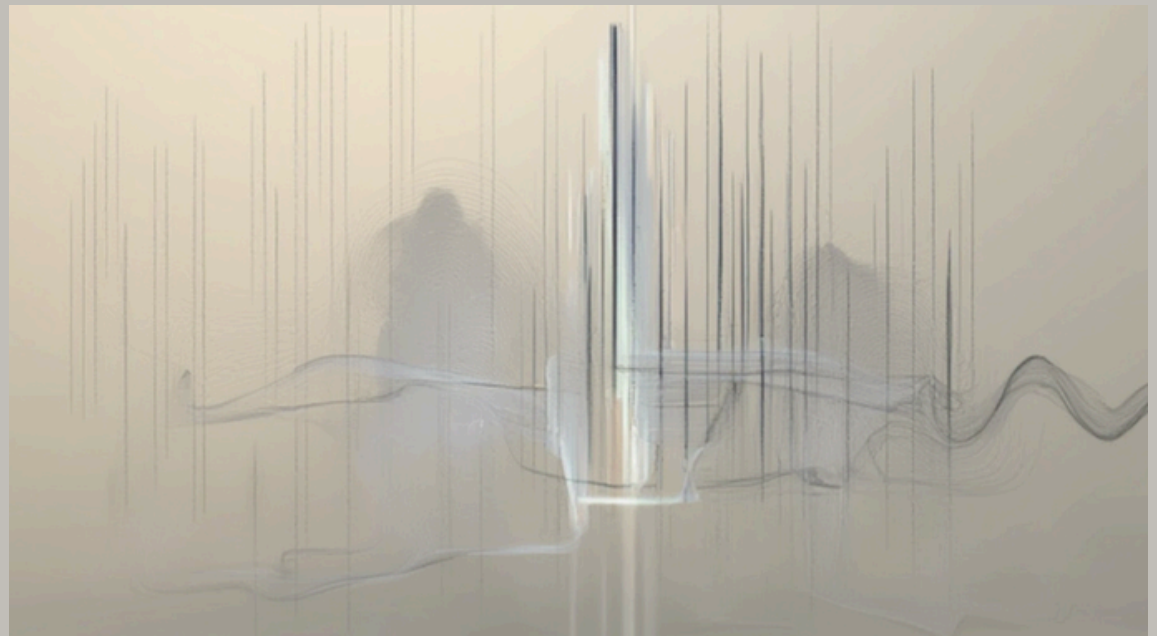

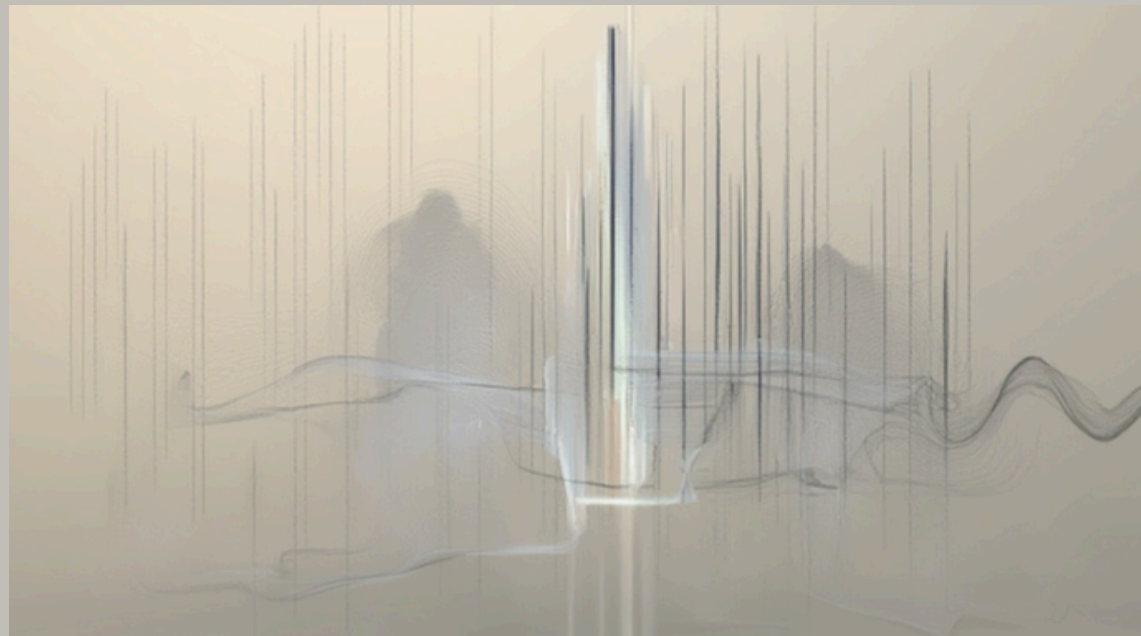

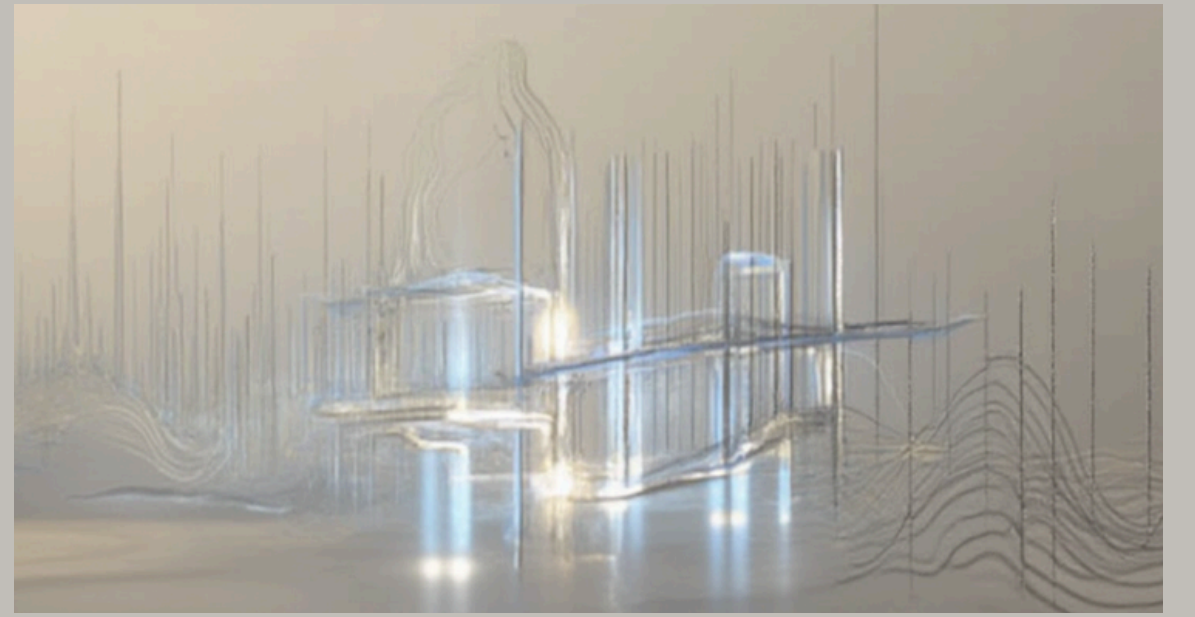

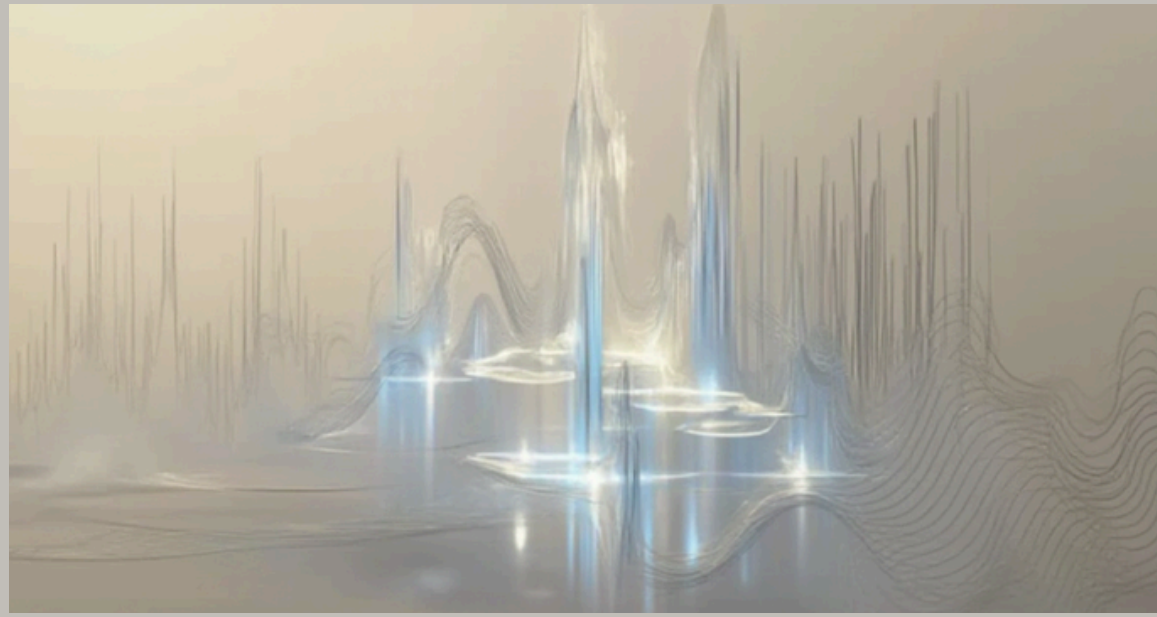

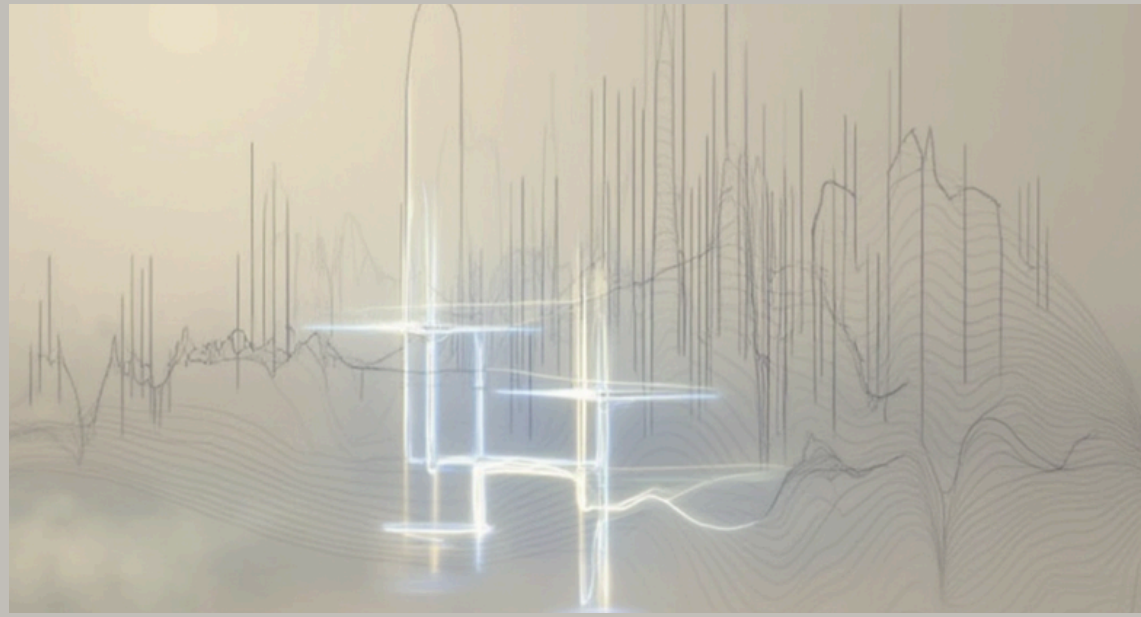

Pri odpočinku a dennom snívaní

SKICE

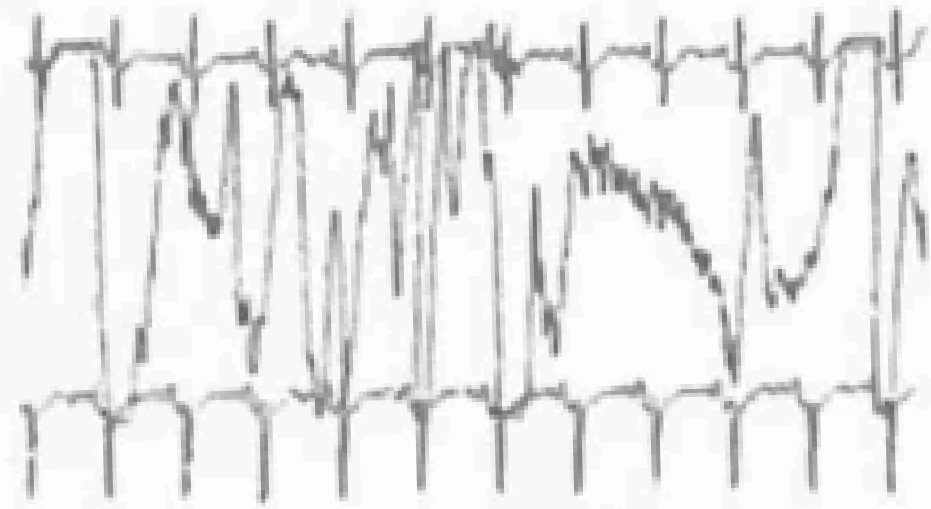

prvotné skice z imaginácie priestoru
